FACILITIES ALERT

Construction Work Update

The following construction activities will take place during the upcoming week starting on Friday 10/19/07 through Friday 10/26/07 from 6:00am to 4:00pm (Day work).

Description	Approx. Completion Date
1) Road Closures: Sections of Circle Drive and North Drive will be closed for approximately three months as indicated in RED below.	Continuous through Fall 2008
2) Maintenance Facility Project – Continue with garage replacement.	November 2007
3) Library and Learning Resource Center – Portions of Lower Quad will be closed.	Spring 2009

Caution:

1. **On 10/19/07, Friday and 10/27/07, Wednesday, approximately 50 concrete trucks will use portions of North Drive, Circle Drive, Central Drive & West Road to deliver concrete to the Library and Learning Resource Center job site as indicated in BLUE below. Trucks will deliver throughout the day until 3:00 PM.**
2. **Monday, October 22, and Tuesday, 23, from 5:30 AM-7:00 AM, on the North & West Road, one lane will be closed for pipe delivery trucks. Please proceed with caution when driving within campus roads. Flag persons will be present to assist in directing the flow of traffic at the entrance to the project site on Central Drive.**
3. **October 22-24, Monday thru Wednesday, the back entrance to Facilities will be closed. There will be no access from Observatory Road.**
