

*****Facilities Alert*****
Construction Work Update

As you may have observed, the College is well underway on a building program which will provide new facilities for use by students, faculty and staff. The initial phase of projects includes the Library/LRC, Central Plant, Utility Infrastructure, and Pedestrian Bridge. To enable construction to proceed on these projects, several roadways have been closed and traffic circulation has been revised. The map provided below depicts these changes. Please note that this map, as well as traffic/circulation updates, are available on the building program link at www.riohondocollege.info. In addition, maps have been posted in hallways and many classrooms.

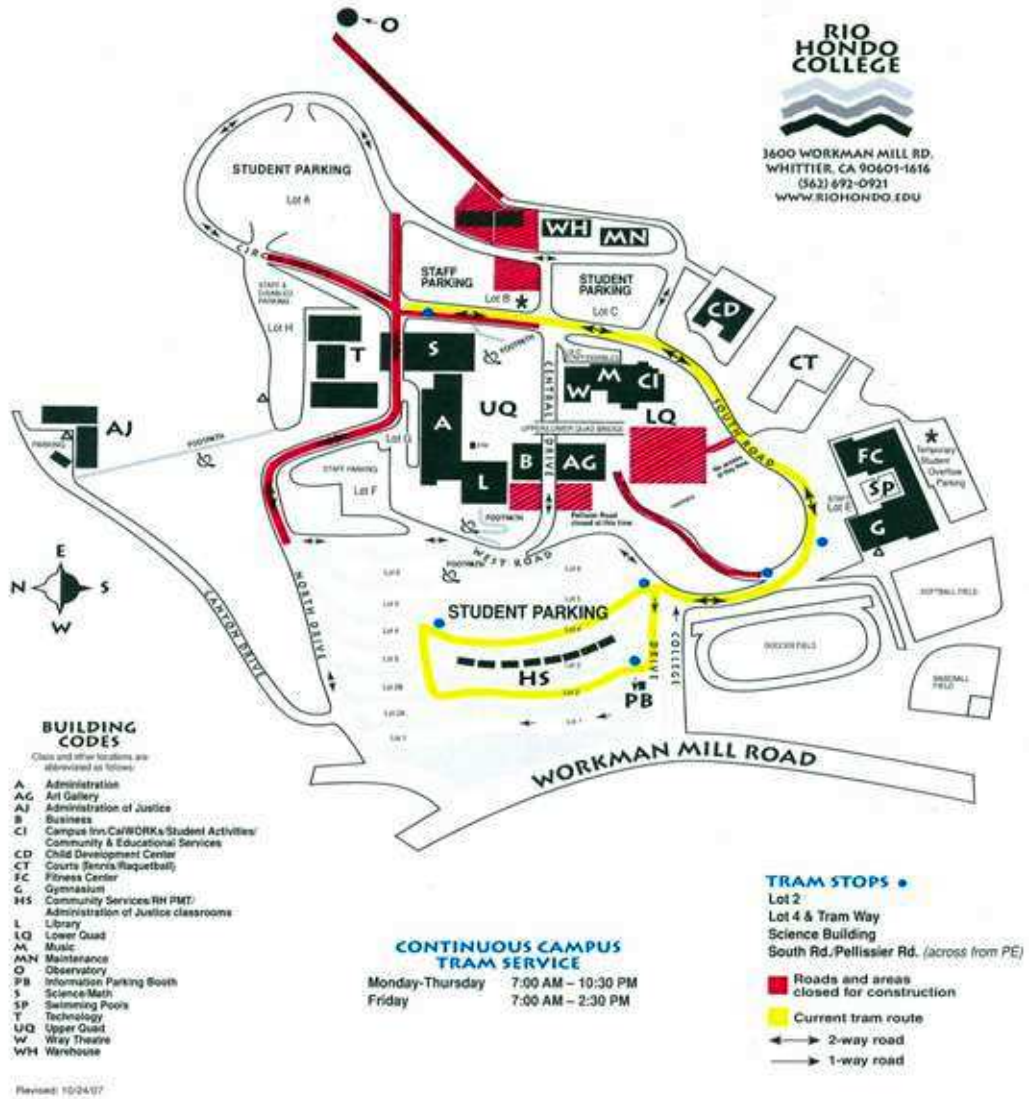

The following construction activities will take place during next week starting on **Friday 05/16/08** through **Friday 05/23/08** from 6:00am to 4:00pm (Day work) unless noted otherwise below.
