

******Facilities Alert******

****Construction Work Update****

Questions? Contact Ken McElroy, ext 4865, or email kmcelroy@riohondo.edu

CAUTION:

1. Central Drive will be closed to thru traffic until further notice.
2. **Central Drive will be closed to pedestrian traffic, please use footpath from West Road up to the Library.**
3. Throughout the month of June, the Library/LRC site will receive early morning material deliveries between 5:00 AM and 7:00 AM.
4. On June 6th, renovation work will begin in T-123 and T-124.
5. Tenant Improvement work is ongoing. The restrooms in the Library Basement will be out-of-service during this work.
6. On Friday, June 6th, a truck will be on Circle Drive and South Road removing the construction trailer from the Pedestrian Bridge job site.

Ongoing: Periodically, some classrooms may experience a louder volume of noise due to construction activity. We will do our best to notify in advance the area's that will be affected by this.

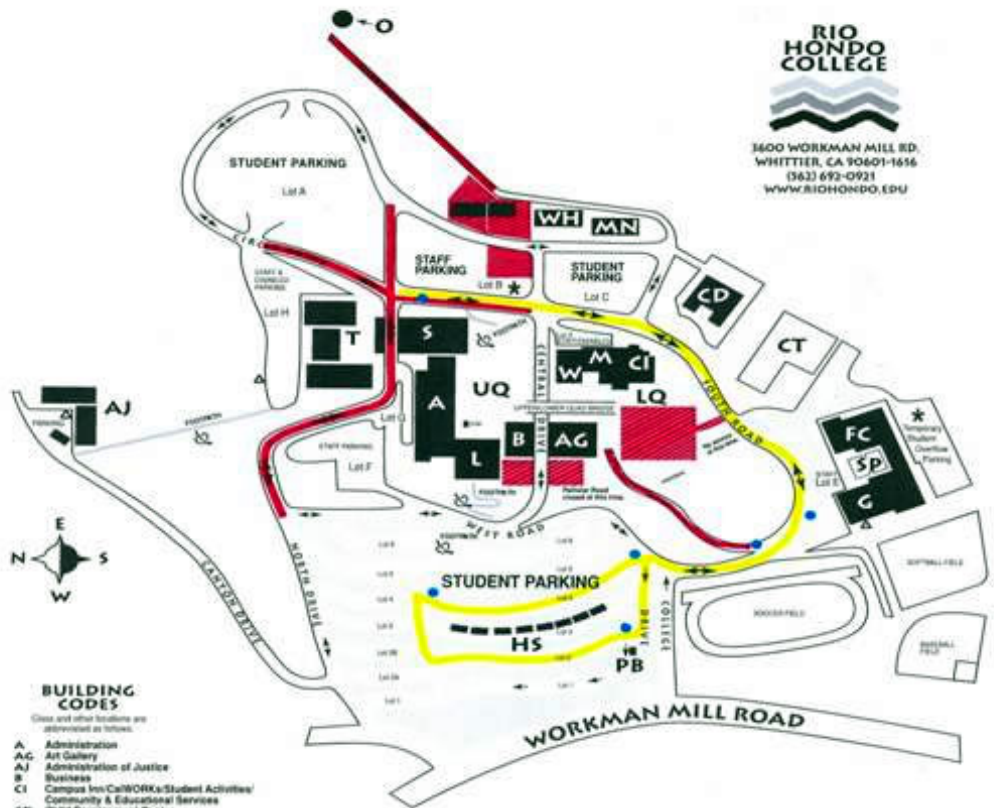

The following construction activities will take place during next week starting on **Friday 06/06/08** through **Friday 06/13/08** from 6:00am to 4:00pm (Day work) unless noted otherwise below.

Description	Approximate Completion Date
1) Infrastructure Phase 2 – working in Parking Lot G, west end of Parking Lot H, portions of North Drive and the Tech Quad	2008
2) Maintenance Facility Project – punch list work and close out	2008
3) Library and Learning Resource Center – portions of Lower Quad will be closed	2009
4) Central Plant – retaining walls and underground mechanical	2009
5) Pedestrian Bridge at Lot A – Seal coating the deck, bridge lighting	2008
6) Tenant Improvement – Library Basement and Campus Inn -- Room CI-155	2008
7) Renovation of Portables T-123 and T-124 – East end of Parking Lot H	2008

As you may have observed, the College is well underway on a building program which will provide new facilities for use by students, faculty and staff. The initial phase of projects includes the Library/LRC, Central Plant, Utility Infrastructure, and Pedestrian Bridge. To enable construction to proceed on these projects, several roadways have been closed and traffic circulation has been revised. The map provided below depicts these changes. Please note that this map, as well as traffic/circulation updates, are available on the building program link at www.riohondocollege.info. In addition, maps have been posted in hallways and many classrooms.
