

FACILITIES ALERT

Construction Work Update

The following construction activities will take place during the next two weeks starting on Friday 12/14/07 through Friday 12/21/07 from 6:00am to 4:00pm (Day work).

Description	Approx. Completion Date
1) Road Closures: Sections of Circle Drive and North Drive will be closed as indicated in RED below.	Continuous through Winter 2007
2) Maintenance Facility Project – Continue with garage replacement.	December 2007
3) Library and Learning Resource Center – Portions of Lower Quad will be closed.	Spring 2009

Caution:

1. On December 17th, 20th and 21st, 2007, concrete trucks will use portions of North Drive, Circle Drive, Central Drive & West Road to deliver concrete to the Library and Learning Resource Center job site as indicated in **BLUE** below. Trucks will deliver throughout the day until 3:00 PM.
2. Periodically, the entrance to the Warehouse and Maintenance Area will be down to one lane.
3. On December 14th, 2007, portions of Parking Lot D and Central Drive will be closed off for relocation of storage container.
4. Starting on December 17th, 2007, Parking Lot D and Central Drive will be closed through January 31st, 2008 for construction.
5. On December 14th, 17th, and 18th, 2007, dump trucks will be traveling on North Drive removing dirt from the Infrastructure job site.
6. On December 17th, 2007, demolition construction will begin at the Lower Quad area just west of the Wray Theatre.
